

A93 FUNCTIONAL TRAINER

A93 Functional Trainer

TOWER FEATURES

3 sets of rotating pulleys deliver maximum training options

All pulleys are deep-grooved and shrouded to keep cables tracking properly

Weight stack delivers smooth, silent operation

Magnetic selector pin always engages quickly and easily

Wide variety of accessory handles and carabiners come standard

One-touch adjustable lat hold down pads fit a wide variety of users

Comprehensive instructional DVD comes standard

Total Motion Technology™. Since all 3 sets of pulleys are rotational, they deliver a wider variety of exercises and more effective training angles than other functional trainers

All components are commercial grade and, in fact, come directly from SportsArt's world-class health club strength products

BENCH FEATURES

Multi-position bench quickly and easily adjusts from flat position, to multiple incline positions, to shoulder press position

Hand-sewn, double-stitched upholstery

Bench has transport wheels and EZ Lift handle
