## KEY FEATURES

ECO-POWR™ motor uses 32% less energy than traditional motors while still delivering 5.0 hp of performance, saving facility owners up to \$3,000 on annual electricity bills

Dot matrix display with multiple program options

MyFlex Plus™ deck cushioning system delivers 30% more cushioning than traditional treadmill decks and is so durable it has a lifetime warranty

Large 22" x 61" belt provides ample running space and is constructed from carbon-weave, low friction material that is resistant to static buildup

LIFETIME WARRANTY on motor, frame and cushioning system

T652 features an easy-to-use dot matrix display with professional workout programs including multiple Fit Test protocols. This visually stimulating display features CardioAdvisor™ and a variety of feedback options. iPod® connectivity is optional.
